Abstracts, posters & talks

Abstracts will be accepted until November, 7th.

Abstracts, posters and short communications will be in English.

There are 3 different formats for the talks. Invited speakers have 30 min and can decide to talk shorter to use the rest of the time for discussions.

The format of the short communications for PhD-students will be 10 min + 5 min discussion. Advanced researchers can choose to talk for 15 min + 5 min discussion (“extended talks”).

Abstracts should be no more than 250 words, preferably without figures (maximum 1 figure, if necessary) and as few references as possible. Please format as indicated below:

Title Title Title

Author 1, A.^a, Author 2, B.^b & Author 3, C.^{a,b}

Affiliation 1 (Institut, City, Country)

Affiliation 2 (Institute, City, Country)

Text Text Text Text (1) ...

(1) Author 1, A.^a, Author 2, B.^b & Author 3, C.^{a,b} (Year) Title. Journal; Edition; pages

Posters should be A0, portrait.
